**Subject:** Internal deliberative draft for coauthor review

Hi Erica,

It was good to talk with you this morning. As we discussed, I am sending you this internal deliberative draft for co-author review. Consistent with this draft status, some of the figures require more work. This draft is subject to change and not intended for distribution beyond NJDEP and NERL staff working on this project.

At this time, I am continuing work on the other NJ analyses I still have to complete.

Thanks,  
John
